2021 AUDITION REQUIREMENTS

In response to the global events of 2020, and our subsequent inability to hold live in-person auditions, Manhattan School of Music will only hold recorded and virtual auditions in 2021. MSM has creatively adapted to offer a modified audition process that will allow our applicants to be fully considered for both admission and scholarship.

Below you will find the updated audition requirements for each area. Please read the instructions for your major carefully, and feel free to reach out to the Office of Admissions at admission@msmnyc.edu if you have any questions or concerns about your ability to fulfill these requirements.

We look forward to another inspiring audition season!

English Assessments

All applicants for whom English is not their first language will be contacted to schedule a 30-minute Zoom interview with MSM's ESL faculty in January and February of 2021.

We cannot give our written English Exam online this year, so we strongly recommend that you send TOEFL or IELTS scores to MSM. We would like to consider your test scores along with the results of your 30-minute interviews. Your test scores can be uploaded directly to the application Status Portal.
